CHECKING IN/PICKING UP YOUR CHILD (4 MONTHS TO KINDERGARTEN)

To check in your child, you will be using your phone number. If your child is old enough, please ensure that they know their phone number. Please also keep us up to date with any changes to your phone numbers. Parents of children ages 4 months-Kindergarten will receive a Security Card when their child is dropped off. The card contains an ID number that is transferred to your child's name tag. During the service if we need to get a hold of you, the number on the security card will flash up on the screen in the main sanctuary. Only the adult who has the security card with the matching number is able to pick up the child.

CHECKING IN/PICKING UP YOUR CHILD (GRADES 1-6)

On Sunday mornings our first time guests are asked to bring their Grades 1-6 kids to our Shuttling Room located in the North Hallway. After registration, the children will be shuttled across the parking lot to our 725 location. For regular attenders, please drop off your child directly to our 725 location.

Please ensure that your child knows their phone number to check in and that you keep us up to date with any phone number changes. At the end of each service all children will be bussed back to our 595 building. Grades 1-3 children will be escorted back to the Shuttling Room awaiting their parents to pick them up directly after service. Grades 4-6 children will be dropped off in the North Hallway marked by a large Pick Up sign. Please wait in this designated area for your child's arrival.

Please keep your cell phone on vibrate during the service.
If we need to get a hold of you we will give you a call.
