WELCOME TO

SPRINGS

# WELCOME TO SPRINGS KIDS!

Every Sunday morning we offer free classes for children 19 months old-Grade 5. Our desire is to create an environment where kids can get to know God in a way that's exciting, practical and relevant. The atmosphere in our classrooms is fun! Big screens, energetic music, games mascots and creative Bible teaching all makes Springs Kids great place to bring your child. Come Join the adventure!

## CLASSES PROVIDED ON SUNDAYS

**NURSERY 2:** 19 months - 3 years  
9am & 10:45am services only

**KINDERCHURCH:** Pre K - Grade 1

**G-FORCE:** Grades 2 - 5

**NURSING MOMS:** Designated room for moms to feed & quiet their little ones outside of the main service. A live video feed is available in this room.

## FAMILY SERVICE

An overflow designated area for parents to sit and enjoy the service with their kids.

## SECURITY

We take security seriously. Parents will receive a security card when dropping off their child. This card contains an ID number that matches your child's nametag. Only the bearer of the card with the matching number may pick up the child. If your child needs you during the service, their number will be posted on the big screen in the main service. This will alert you to return to their classroom. On your first visit, and periodically throughout the year (or as requested), we will ask you to complete a Child Information Card, which will help us better serve your child.

## SAFETY & WELLNESS

- Our volunteers are trained & have completed background checks.
- We do not take kids to the washroom. Please take your kids to the washroom before dropping them off.
- Sanitizing toys & table surfaces are done regularly before use
- Volunteers wash /sanitize their hands regularly and use protective gloves during snack time.

## MAIN LEVEL
